

## Lewes

We're often asked at shows about what you can use our mini skein sets for and instead of the usual list of stripes, heels and toes and crochet squares we came up with these mittens. Perfect for mini skeins or for scraps and ideal as a last minute gift. The mittens are knit in the round with a two-colour rib, a simple slip-stitch pattern and after thought thumb. The pattern is written in one size but is easy to size up or down.

### Size

19 cm circumference, un-stretched across the palm and 21 cm long in sock yarn.

### Yarn

Multi colour mittens: 1 x 100g Ainsworth & Prin Smooth Sock Mini Skein Set 100% Blue Faced Leicester (5 x 20g/80m)  
Or 45g of sock weight yarn.

### Needles & Notions

One set of 2.25mm double pointed needles or size to obtain tension  
Stitch marker  
Waste yarn  
Needle for sewing in ends

### Tension

18 sts x 24 rounds to 5cm over slip-stitch pattern

### Pattern Notes

The pattern is a simple three stitch repeat. To increase or reduce the size simply add or subtract stitches in a multiple of three. To make the cuff longer or shorter add or subtract multiples of the six round pattern before you knit the waste yarn for the thumb.

For a two-coloured mitt change the colour of the working yarn every three rounds of the main pattern. After the thumb section work a further 30 rounds to balance the pattern before the i-cord cast-off.
